

# Quick Start Guide

## Camera Mount Halogen Spotlight

- 1 Attach battery pack to velcro waistband, making sure that the XLR plug is closest to the NRG input box.

- 2 Connect XLR plug to XLR input on side of NRG input box.

- 3 Slide spotlight into metal slot of top of camera. Rotate knob on base of spotlight to tighten securely.

- 4 Fasten battery pack unit around your waist. Connect 12V spotlight plug to input on top of NRG input box.

- 5 Flip power switch on NRG input box. Rotate knob on rear of spotlight to turn power on and adjust brightness.

# Quick Start Guide

## Camera Mount Halogen Spotlight

- Adjust width and intensity of spotlight by rotating the handle along the right-hand side of the unit.

### Charging the Battery Pack

- If the LED light on the NRG input box becomes orange, or eventually red, you should begin to charge the unit.

- To charge the battery pack, plug in the Charge Unit and make sure the POWER light turns red.

- Plug the battery pack XLR plug into the XLR input on the Charge Unit. Charge for up to 15 hours at the most.
